

UNITED WAY OF CENTRAL OHIO POVERTY FIGHTING INVESTMENTS

United Way's Community Impact Fund supports a network of more than 70 agencies and organizations that provide opportunities for central Ohioans in these four critical areas:

Basic Needs: Ensuring people in crisis get food, shelter and assistance.

Strong Neighborhoods: Engaging residents, businesses and government in revitalization efforts.

Good Jobs: Teaching people the skills they need to get and keep a job.

Student Success: Helping children succeed from cradle to career.

More importantly, United Way closely tracks outcomes and convenes its funded partners to continuously improve impact. When you give to the Community Impact Fund to fight poverty, you know that your dollars are doing just that!

Here are the local partners providing poverty-fighting services that United Way is investing in through December 2018*
