UNITED WAY OF CENTRAL OHIO COMMUNITY IMPACT FUND

United Way of Central Ohio is focused on fighting poverty through our **Community Impact Fund**, which supports the most effective local partners that get results.

When you give to the Community Impact Fund, you're supporting a network of more than 80 nonprofit partners ([see list on back](#)) that are working hard every day to provide opportunities for central Ohioans in four critical areas:

Basic Needs

Ensuring people in crisis get food, shelter and assistance.

Student Success

Helping people succeed from cradle to career.

Good Jobs

Teaching people the skills they need to get and keep a job.

Strong Neighborhoods

Engaging residents, businesses and government in revitalization efforts.

United Way closely tracks and evaluates the outcomes of our partners to continuously improve impact in our community.

We share the numbers and results with you, our donor, on a regular basis so you can see what we've achieved together.

In other words, you don't have to wonder if your gifts are making a difference—you know they are.

UNITED WE FIGHT. UNITED WE WIN.
