United Way of Central Ohio is focused on fighting poverty by investing in the most effective partners that get results. This network of more than 80 local partners provides opportunities in four critical areas:

- **Basic Needs**
  - Ensuring people in crisis get food, shelter and assistance.
- **Student Success**
  - Helping children succeed from cradle to career.
- **Good Jobs**
  - Teaching people the skills they need to get and keep a job.
- **Strong Neighborhoods**
  - Engaging residents, businesses and government in revitalization efforts.

Thanks to our donors, United Way of Central Ohio is able to fund a network of 26 local nonprofit partners, for a total of 32 programs in the area of Basic Needs. The programs we support at these partners focus on providing access, intervention and stabilization for people in crisis, including:

- Homelessness
- Food insecurity
- Domestic violence
