*BN* = Basic Needs   *SS* = Student Success

# United Way of Central Ohio's COMMUNITY RESPONSE FUND

For 100 years, we've been mobilizing the caring power of our community to build a stronger, more equitable central Ohio for everyone.

**LAST YEAR**, donors and volunteers joined us to provide basic needs that strengthened families and opportunities that helped children reach their full potential.

## 90% of children

improved on Get Ready to Read assessments, demonstrating they were ready for kindergarten.

YMCA SPARK  
Program

## 95% of students

improved or maintained literacy fluency.

After-School  
All-Stars Ohio

## 2.9+ million meals

provided through pantries and hunger-fighting partners.

## UNITED in Purpose

We're committed to closing gaps and opening opportunities for more families and their children in central Ohio.

**Because our young learners are tomorrow's leaders and workforce.**

We create ongoing collaborations between school districts and community partners that provide resources and reduce disparities so all children can meet developmental milestones and succeed in school.

**Because we know that to build a stronger future for our community, all children must have what they need to succeed today. That means starting every day feeling healthy, happy, well fed, safe and secure.**

We invest in programs that help families in crisis and promote stability, and that provide quality, out-of-school enrichment opportunities to ensure children are prepared for school, stay on track and graduate on time.

**We can do more UNITED than we can alone.**

**Join others who care about the future of our children and our community.**

## Give to the Community Response Fund.
