# United Way of Central Ohio's COMMUNITY RESPONSE FUND

Imagine a community where every child begins the school day feeling healthy, well fed and safe, with the resources and opportunities necessary to learn, develop and succeed. United Way of Central Ohio's Community Response Fund supports Success by Third Grade, a communitywide movement to build a better future for everyone in central Ohio.

**LAST YEAR**, our donors and volunteers joined us in strengthening families and putting more children on a pathway to succeed in school and in life.

More than **12,300** students served

Over **423,850** neighbors

with food insecurity  
received nutritious meals

**91%** of pre-K children

mastered the skills to begin  
kindergarten ready to learn

(St. Stephen's Community House  
STEM Out of School Time).

## LEADING THE WAY for Our Community's Children

We know that children's success in the classroom is impacted by more than just instruction and materials. Students must be supported inside and outside of the classroom.

Our Community Response Fund invests in local high-quality nonprofit partners that provide direct services in Success by Third Grade's participating school districts. These programs address three core indicators:

- Child well-being (mental/behavioral health, social emotional learning)
- Home and family stability (attendance, food instability, housing, etc.)
- Safe and supported at school (kindergarten readiness, academic growth, culture and climate, etc.)

### Because our young learners are tomorrow's leaders and innovators.

Join us in building a stronger, more equitable central Ohio. We can do more than just imagine a better future for all children and for our community. Together, we can make it happen.

**Give to the Community Response Fund.**
