Items to Note:

- **The Orientation, Opening Retreat and Beyond the Freeway Tour, Service Project and Graduation are all required sessions.**
- Session topic dates subject to change.
- All workshop sessions will be held in-person unless noted otherwise.
- Participants are allowed to miss two sessions in their entirety. This program experience is not something you can simply “get the notes” from. You will miss information/context that cannot be fully simulated after the fact. Attendance therefore is paramount.
